WHAT YOU SHOULD KNOW

Log in to edit

This is a family friendly restaurant. It is considered fast casual dining. The food is prepared fresh to order, served to your table, and your tables are cleared for you as well. There is a happy hour special on wings and beer from 4 to 7pm daily. Although it's not a sports bar, there are plasma TV's and 12 beers on tap. The emphasis is on pleasing families and kids.
