Our family has been going there since they opened. The food is very good. The staff and manager are very friendly and really make it a nice place to eat! Our boys love to go there!

**Fosters Grill** ★★★★★

By [sharon p.](#)

I have been eating at the Foster's Grill in Winchester, Virginia since it opened. I have always received great assistance from the staff, my meal is always fresh and prepared the way instructed, and to top things off the restaurant is always very clean. I tend to be a tough person to please, but there has never been a time that I have left Foster's unsatisfied. Even if I do have a problem with the way my meal was prepared or changed my mind as to what I wanted to eat, the staff does an outstanding job in meeting my needs. Now a days, its not common that you can walk into a restroom in a restaurant and find that it is clean, and has all of the necessary items

i.e.; toilet paper, soap, etc. At Foster's it is always clean. Cleanliness usually determines rather not I will return to a store, and Fosters' has won my vote on that.

I always suggest Fosters' to friends and family members and they too have had nothing but great things to say about it. So Thanks Fosters' for doing such a great job in customer care! I truly do appreciate your service.

Keep up the good work!
